Resort Rules

The Lucayan Condominium (the "Resort"), including its parking lot, pool area, stairwells and yard is private property. The following Rules of Conduct are set forth for the purpose of protecting the property and the interests of the Resort's owners. If you are not an owner of a condominium unit or of a timeshare unit you are considered a guest.

These rules are our general guidelines for protection of our property and for behavior; they are not intended to apply to each and every possible act within the Resort. Any violation of the rules interferes with the resort and residential nature and function of the project. If any guest should refuse to follow any rule, the guest will be asked to leave the property. Should any guest fail or refuse to leave the property, he or she may be subject to arrest. If you are evicted from the Resort and the unit which you are occupying, for failure to abide by the rules or for any other reason, you will NOT be entitled to a refund of the rents paid in advance and you will be responsible for any damages to the unit or condominium property caused by you and/or your guests.

AGE REQUIREMENT: Individuals under the age of twenty-one (21) will not be permitted to occupy a unit without a parent or legal guardian (who is over the age of 21) and present throughout the stay. The person who made the reservation must occupy the unit for the length of the stay, unless other arrangements are made with management. The owner/person making the reservation will be held responsible for all damages or missing items in the unit as well as any damages caused by their renter/guest on property.

CLEANING AND DAMAGE: If the unit is left in an unsatisfactory condition that requires more than the normal housekeeping time to clean it, you may be charged an additional cleaning fee - a minimum charge of two hundred fifty dollars (\$250.00). In addition, you are liable for the expense of any maintenance repair and/or replacement rendered necessary on anything that is soiled, damaged or broken in the unit or on property during your stay.

COURTESY: Profane, obscene, loud or boisterous language, or unseemly behavior and conduct are absolutely prohibited. Please refrain from any action or activity that will annoy, harass, embarrass, or inconvenience the owners and other guests of the Resort. QUIET HOURS WILL BE ENFORCED from 11:00 p.m. to 8:00 a.m.

DISTURBANCES: At all times during your stay, please conduct yourself in a manner that does not unreasonably disturb your resort neighbors or constitute a breach of the peace. Illegal activities on the premises will not be tolerated. You shall not make or permit any disturbing noises, nor any activity that will interfere with the rights, comforts, clear passage or convenience of owners and other resort guests.

EXTERIOR: Nothing shall be thrown out of any window, door or from any deck. Towels, clothing or other items shall not be hung from the windows, deck, deck railing or front façade of any unit.

GAS OR CHARCOAL GRILL: For your safety and the safety of others, we do not provide or allow gas or charcoal grills to be used on Lucayan property. This is a fire hazard.

LOSS OR THEFT: The Resort is not responsible for damage to or loss of personal property or automobiles. If, upon your departure from The Lucayan, you discover you have left an item in your unit, please call us to report it as soon as possible. Our staff will check the unit for the lost item and contact you if the item is found. Your prompt response is important!

NO PARTY POLICY: We strive to provide the highest level of guest satisfaction to all guests utilizing the property. To maintain the highest standards possible, we have adopted a No Party Tolerance Policy. If for any reason a guest in any unit disturbs or disrupts any other guest, the Lucayan reserves the right to evict any violators with no refunds of any money paid. In accordance with state and local laws, all persons must be 21 years of age or older to consume alcoholic beverages or to have alcohol in their possession. All violators of this policy will be evicted without refund of any money paid. If any person under the age of 21 is found or reported to be consuming alcohol on premises may be subject to eviction and possibly arrest by local authorities.

OCCUPANCY: The maximum number of guests per unit is limited to SIX (6) persons. Any deviation from this requirement will automatically terminate the rental agreement.

PARKING: Guests occupying Units numbered 31 to 57 and 59 are to park only in spaces designated as "TS" or "Permit" unless the owner of a numbered parking space has provided advance authorization to do so. Vehicles that are inappropriately parked will be subject to towing at the expense of the vehicle owner. In peak occupancy seasons the Lucayan may issue parking permits. During those times, each vehicle parked on property must display a parking permit. Parking permits should be displayed on the dashboard. Please return permits to unit upon check out. Motor Homes, boats and/or trailers are not permitted to park on Lucayan property. Our staff will be able to suggest alternative parking spots.

REPAIRS: Please notify property management immediately of any necessary repair or unsafe condition of any kind within the Resort.

TRASH: All trash and refuse should be disposed of in a timely manner in the dumpsters located on the East (ocean) side of the Lucayan property. Please be sure to close the bags tightly which will serve to discourage wildlife from getting into the receptacles.

PETS: Lucayan timeshare owners ONLY are permitted to have pets on Lucayan property. A non-refundable Pet Fee of \$75.00 is required. The number of pets must not exceed two (2), and the combined weight may not exceed seventy-five (75) pounds. Authorized pets must be carried or leashed at all times while outside. Pets of any kind are prohibited for Lucayan renters and or guests. No pet should be left unattended on the balcony nor for an extended period of time within a unit. Owners are responsible for any and all damages caused by their pets and may be subject to additional charges should additional cleaning be needed upon departure.

PET POLICY/SERVICE ANIMALS POLICY/COMFORT ANIMALS POLICY

14.01 Pet policy- This remains unchanged.

14.02 ADA Service Animals Policy

The following will apply for Owners/guests with a service animal(s) covered under the ADA service animals provision:

1. The service animal(s) must be under the control of the owner at all times and cannot be left alone or unattended in any unit or on any Goodmanagement property.
2. The service animal(s) cannot be left alone on any balcony.
3. If the owner/guest doesn't take effective control of the service animal(s) or if the service animal(s) poses a direct threat to the health and safety of others that cannot be eliminated or reduced to an acceptable level, the service animal's owner/guest may be requested to remove the service animal(s) from the premises. However, the owner/guest will be allowed to return to the property without the service animal(s).
4. The service animal(s) must be leashed or carried by hand at all times when outside a unit.
5. The owner/guest must clean up all wastes of their service animal(s).
6. The owner/guest will be responsible for any maintenance or repair to the unit(s) caused by the service animal(s) in accordance with the By-Laws of The Lucayan Resort.

Unregistered service animals will be considered pets and covered under the pet policy.

14.03 "Comfort" Animals Policy

Emotional support animal, comfort animals and therapy dogs are not service animals under Title II and Title III of the ADA. Other species of animals, whether wild or domestic, trained or untrained, are not considered service animals either. The work or tasks performed by a service animal must be directly related to the individual's disability. It does not matter if a person has a note from a doctor that states that the person has a disability and needs to have the animal for emotional support. A doctor's letter does not turn an animal into a service animal.

Therefore, emotional support, comfort and/or therapy animals will be considered pets and covered under the pet policy.

Before leaving the unit:

- Please turn off all lights.
- To help conserve energy, adjust the thermostat to:
 - AUTO, COOL, and 75°F in the spring/summer months
 - AUTO, HEAT, and 65°F in the fall/winter months

And we politely ask that you "pay it forward"

It's certainly not a requirement, but our housekeeping staff as well as the next occupants of your unit, will GREATLY APPRECIATE your assistance providing us a head-start on preparing your unit for the next occupancy. With your help, we will have the unit ready should our next guests arrive in advance of our published check-in time.

We thank you in advance for your assistance with any or all of the following:

- If you have relocated any furniture, please return it to its original location.
- Please strip the beds to the mattress pads and deposit sheets and towels on the floor near the front door. (Leave blankets, bedspreads, and pillows in the bedrooms.)
- Please empty the refrigerator.
- Please load all dirty dishes in the dishwasher and turn it on prior to departure.
- Please take all trash to the outside dumpsters.
- Please check your unit for any items you may have forgotten.

You will be held responsible for the expense of any maintenance repair and/or replacement rendered necessary on anything that is damaged or broken in the unit during your stay.

Please help us...

Owners occupy a unit for 162 hours in their week. Management has access to that unit for only six hours each Friday. Owners have more opportunities to find exceptions that need attention. Please report all problems you find during your week so that we can take care of them before the next owner arrives.

In the event of a fire emergency...

Each of our units is equipped with smoke and carbon monoxide detectors, as well as a fire extinguisher located in the kitchen. If the fire is in your unit, do not investigate or try to fight the fire on your own, GET OUT! Once you are outside the unit, use one of our strategically located pull stations and leave the premises as soon as possible.

When is it Safe to Return to your Unit?

- Once Fire officials has given approval and/or they have vacated the property.

Your best defense against a Fire is to Plan Ahead

- The front door of your unit is your primary exit in the event of an emergency. If the fire is in your unit, get out and close the door behind you. The fire extinguisher, located in the kitchen, can be used to help clear an escape route.
- Do not attempt to fight the fire on your own!
- If you hear a fire alarm, ACT, don't simply investigate.
- If the fire is not in your unit, leave if you can. First, feel the door. If it is cool, open it slowly and leave the unit. Once you are outside, use one of the strategically located pull stations and leave the premises as quickly as possible.
- If the front door is hot, don't open it. Your unit may be the safest place to be. Seal any cracks around doors and windows with wet towels or bed linens. Shut off fans and air conditioners. Signal from a window.
- Call the fire department and wait to be rescued.

Travel Safety Tips

- Don't answer the door without verifying who is there. If a person claims to be an employee, call Resort Management at (443) 856-4275 to confirm.
- When returning to your unit late in the evening, use the main entrance. Be observant and look around before entering parking lots.
- Close your door securely whenever you are in your unit, use all the locking devices provided.
- Do not draw attention to yourself by displaying large amounts of cash or expensive jewelry.
- Do not invite strangers to your unit for any reason.
- Do not leave valuables in your vehicle.
- Check to see that any sliding glass doors or windows are closed and locked.
- If you are traveling with children, provide adult supervision and know their whereabouts at all times.
- If you see suspicious activity, please report your observations to the Resort Management.

Ocean City's Geographic History

Ocean City, Maryland is part of the Delmarva (Delaware-Maryland-Virginia) Peninsula. The city is located on a barrier spit, which includes the communities of Ocean City, Maryland, and South Bethany and Fenwick Island, Delaware.

At the extreme southern point of the barrier spit is an inlet that was formed during the 1933 Chesapeake-Potomac hurricane. As rainfall and tides swelled the rivers and bays surrounding Ocean City, the overflow eventually cut a 50-foot channel from Isle of Wight Bay to the Atlantic Ocean. Ocean City businessmen had long sought funds to create such an inlet, so residents seized the opportunity. The Army Corps of Engineers took advantage of nature's intervention to make the inlet permanent; separating the barrier spit from what is now Assateague Island.
